deVere Global Frontier Markets Fund (the "Sub-Fund") Class A EUR (LU0574466099) a sub-fund of KMG SICAV SIF S.A. (the "Fund")

This Fund is managed by KMG Capital Markets Ltd

Objectives and Investment Policy

Investment Objective:

The deVere Global Frontier Markets Fund seeks long term capital growth by capitalising on the investment opportunities that exist in the fast growing economies around the world. These may include, but are not limited to Vietnam, South Africa, Turkey, Egypt, Indonesia, South Korea, Philippines and Mexico.

Investment Policy:

The deVere Global Frontier Markets Fund will hold investments in collective investment schemes that have exposure to these countries. The deVere Global Frontier Markets Fund may also hold bonds, equities, notes and other instruments that have exposure to these countries; it may also invest in assets denominated in any currency and currency exposure may be hedged.

It is expected that the typical percentage in terms of total assets of The deVere Global Frontier Markets Fund will be dispersed across investments as follows:

- UCIs (EU Collective Investment Schemes) and AIFs (Alternative Investment Funds): up to 100%
- Bonds: up to 100%
- Equities: up to 100%
- Structured Products: up to 30%
- Cash or other liquid investments: minimum 2%

Geographical allocation: Global

Factors driving performance: Returns will be linked to the performance of the underlying assets thereby impacted by factors such as interest rates, equity and credit markets' performance, commodity prices and foreign exchange markets. In addition, separate factors may affect returns of individual funds e.g. political, tax and local government actions.

The choice of assets is guided by growth.

The use of hedging / arbitrage / leverage techniques may determine the fund's performance as follows:

Hedging: derivatives may be used to hedge the currency risk of non-USD assets.

Borrowings: The deVere Global Frontier Markets Fund may borrow the equivalent of up to 25% of its net assets.

Recommendation: this Sub-Fund may not be appropriate for investors who plan to withdraw their money within 5 years.

Benchmark: The fund does not refer to a benchmark.

Risk and Reward Profile

Risk Disclaimer

The risk and reward indicator illustrates where the Sub-Fund is positioned in terms of its possible risks relative to its potential rewards. The higher the Sub-Fund's position on this scale, the greater the possible reward, but also the greater risk of losing money. This risk indicator is calculated using historical data of the prices of the fund (or its benchmark in case of a new sub-fund) which may not be a reliable indicator of the future risk profile of the Class. The lowest risk category cannot be regarded as being risk-free. The value of shares can rise and fall and accordingly, an investor may not get back the full amount invested.

Why is this Sub-Fund in this category?

Based on preliminary calculations, the level of the risk-reward profile is 5='medium-high'.

Charges

One-off charges that may be taken before or after you invest	
Entry charge	0
Exit charge	0
Share Creation charge	0.0834% per month (over 48 months)
This is the maximum that might be taken out of your money before it is invested	
Charges taken from the Fund over a year	
Ongoing charge	2.4%
Charges taken from the Fund under certain specific conditions	
Performance fee: A performance fee may be due to the AIFM, which may be paid to third parties as its discretion, per calendar month, equal to ten (10) percent of the increase in Net Asset Value per Share, (including any net unrealized gains and losses), if any, during such month. The Performance Fee is subject to a "high water mark" whereby any decrease in the Net Asset Value per Share of the relevant Class, subsequent to the most recent month in which Performance Fees were earned, will be carried forward until future increases exceed the amount of loss carried forward.	

The charges you pay are used to pay the costs of running the Sub-Fund, including the costs of marketing and distribution. These charges reduce the potential growth of your investment. The actual entry and exit charges can be found out from your adviser or distributor.

The ongoing charges figure is based expenses for the year ending 31 December 2017. This figure may vary from year to year and excludes:

- Performance fees (if applicable)
- Portfolio transaction costs, except in the case of entry/exit charges paid by the Sub-Fund when buying or selling units in another collective investment undertaking.

For more information about charges, please refer to the section of the Sub-Fund's prospectus which details charges. This prospectus is available from the registered office of the Fund.

Past Performance

This Share Class was launched on 08/04/2011.

Please be aware that performance in the past is not a reliable indicator of future results.

The past performance presented includes the fees except the entry and exit fees which are excluded from the calculation of past performance.

The past performance has been calculated in EUR.
